Is it okay?

It's exhausting.
It was just two words...
I let my guard down because it was a small café...

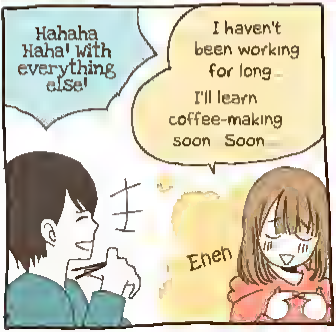
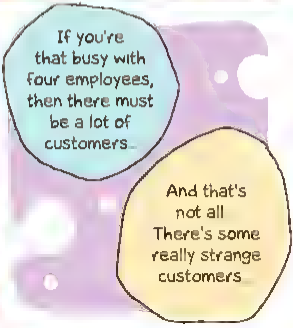
Early morning
But a bunch of business workers from the buildings behind ours came flooding in during their lunch break...
Large buildings
rumble rumble
Lunch time
It's hard to deal with all of them, even with four of us
Huu...
Four?
Yup. Four.

Cafe nothing family

Boss at the register!
A guy with the same age as me with the espresso drinks...
A 20-year old afternoon employee with the brewed drinks...
Lim Su-Neung (Aged 20)
And... Me with everything else...
TA
DA!





If you're that busy with four employees, then there must be a lot of customers...
And that's not all. There's some really strange customers...

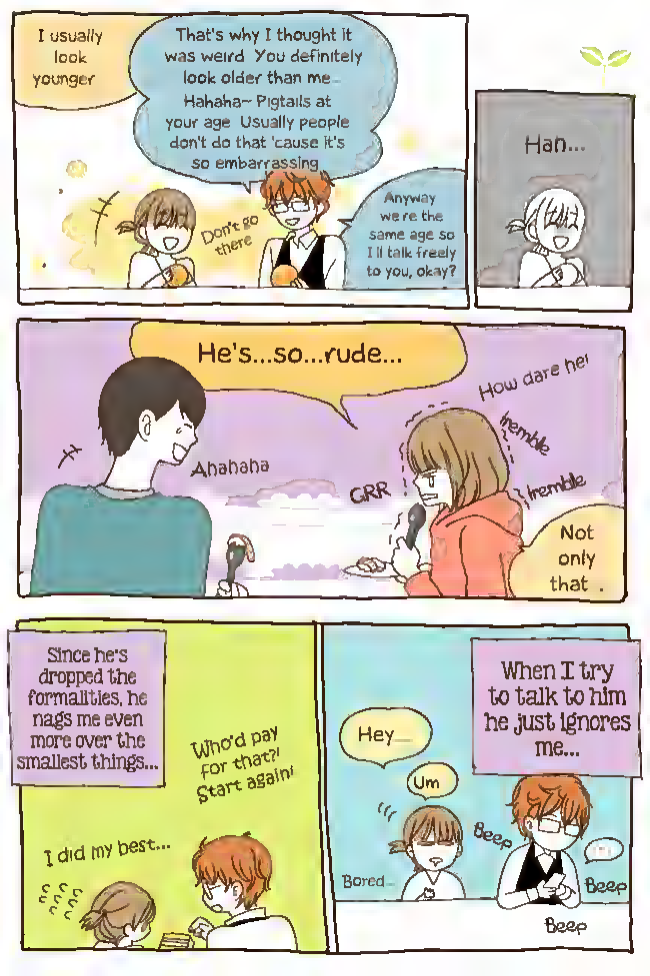
One day, while I was on the register, there was a woman who at first glance looked like a rich madame...
Welcome!
One caramel latte...
But without the caramel
Eh?
How much is it?
I'm sorry, but your order
Did you not hear me? Give me a caramel latte, without the caramel syrup
Ah... That's...

Ma-Ma'am...
You mean without the caramel syrup that goes on top of the caramel latte, right?
Or did you mean to take out the caramel from the drink itself?
In which case it would just be a regular latte...
No...I mean both the caramel that goes on top and the caramel that goes in the drink. One caramel latte without caramel.
I don't feel like drinking anything sweet today... And I don't like regular lattes
Mm...That is... If you take out the caramel from the caramel latte, that's just a regular caffè latte...
Th-Then I'll just have you pay for a regular latte...The regular is much cheap--
Didn't I just say caramel latte?!
For crying out loud!

I said a caramel latte with no caramel!
Ri-Right away ma am!
sh
out
HEK!
And then?
In the end she paid for a caramel latte and got a regular one..
It's 50 cents more expensive
Hahaha.
She just wouldn't hear it! Haha~
There are quite a few people like that.
Ah, shrimp sushi!!
Go get your own!
Kekeke!
That reminds me, my friend works at a café too, and he had a similar customer before.
Then I'll ring you up just for the espresso. That's way cheaper... Without the water it'll be espresso anyways...
I don't care, I just want an americano without water!!
A man ordered an americano without the water and just the

Maybe they're married? Lol~
Maybe!
The fried shrimp's out
Let's eat
This one!
How are the people? Have you gotten to know them??
Hm...
Nuna
Nunaa!
The 20-year old boy has a fun personality...
I'll carry this one.
Ah thanks
So we've gotten close very quickly.

The problem is the other guy who's my age...
What?
Twenty-five? You're the same age as me?
I thought you were younger...
Why so?
Because I look younger?!
The answer is clear, you just need to open your mouth.
Um..
Do I look younger??
On your first day, you put your hair in pigtails ..
Ah... Yes
So when I saw that I thought, "Ah She must be young "
Aha~



I usually look younger
That's why I thought it was weird. You definitely look older than me... Hahaha~ Pigtails at your age. Usually people don't do that 'cause it's so embarrassing.
Don't go there
Anyway we're the same age so I'll talk freely to you, okay?
Han...
He's...so...rude...
How dare he!
Ahahaha
GRR
trembling
trembling
Not only that...
Since he's dropped the formalities, he nags me even more over the smallest things...
Who'd pay for that?! Start again!
I did my best...
When I try to talk to him he just ignores me...
Hey...
Um
Beep
Beep
Beep
Bored...

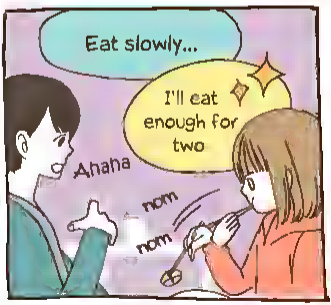
Anyway, I just don't like him...Even though it's a part-time job,
If I can't like the people I work with, how can I like the work I do?
Huah...
Hahaha.
Boo...
I wanna work part-time with you too...
OH! Wanna come??
It was just a thought...

You're getting way too much egg sushi...
Hm?
But they're sweet and fluffy! They're delicious!
So good!
You just can't make them like this at home!
You're just like a kid. Hehe
pat pat
Kyah!
Eat up!
Hehe
Yup!
I'm going to eat sushi with my boyfriend tomorrow!
Oh. Really?

Jealous? Jealous?
Sure. Very jealous.
Wash them properly.
I'll be sure to eat your portion too!
Kyah!
No, thanks.
Should I sneak some for you?
That's just nonsense...
Then.. I want some egg sushi...
You're not telling me not to. Keke~
But why egg sushi?
I really like it!
Some people say it's a waste of money, but...

It's sweet, just like castella bread.
It's soft and fluffy, too...
Mmm~
That...
That's sooo right!! At home it just doesn't turn out the same...
Glad we both agree!
Yup, exactly my point, haha...

That was the only thing we agreed on.
Yum.



Eat slowly...
I'll eat enough for two
Ahaha
